## Goal #1 Goal

Students will learn independent living skills, such as kitchen skills, navigate electronic devices, and direct instruction through enhanced media for accessibility.

## Academic Areas

- Reading
- Mathematics
- Writing
- Technology
- Health

## Measurements

Life skills will be evaluated as we teach each unit. Much of our instruction is hands on to demonstrate competency and mastery. Students will use I-pads & smart boards to help with recipes. Student learning will be measured by mastery of IEP and state standard goals.

## Action Plan Steps

- 1) A cooking unit will include the purchase of smart boards.
- 2) Several I-pads, smart boards will be purchased to help with the use of apps and recipes.
- 3) Purchase food ingredients for the cooking units such as vegetables and fruits, and basic food supplies to teach independent living.

## Funding Changes

*There are times when the planned expenditures in the goals of a plan are provided by the district, a grant, or another unanticipated funding source leaving additional funds to implement the goals. If additional funds are available, how will the council spend the funds to implement the goals in this plan?*

I will use i-pads and other technology. If there are other funds, then we will use it for supplies for the students to cook with.
